10th Annual Business-to-Business Expo**

Mount Vernon, NY March 3, 2009 - The African American Chamber of Commerce of Westchester and Rockland Counties, Inc. cordially invite you to attend its 10th Annual Business-to-Business Expo (B2B) on Thursday, March 26, 2009 at the Yonkers Public Library at One Larkin Center, Yonkers, NY from 10:00am until 2:00pm.

A goal of the Chamber's Supplier Diversity Program is to encourage an effective collaboration between qualified minority and women owned suppliers and large buying organizations. The B2B is an exciting and effective program which has produced significant contacts and contracts.

For 10 years the Chamber's B2B has provided an excellent environment for suppliers to gather and exchange information and procurement opportunities with each other.

Participating vendors will include purchasing representatives from trade associations, state agencies and authorities and corporate entities.

The B2B has proven to be a powerful networking event and you are encouraged to attend. This year there is no fee associated with the event. Space is limited; we will accept participants on a first come first serve basis. You don't want to miss this opportunity!!
